

THE FIRST ANNUAL

Bloom Gala

**2025
RECAP**

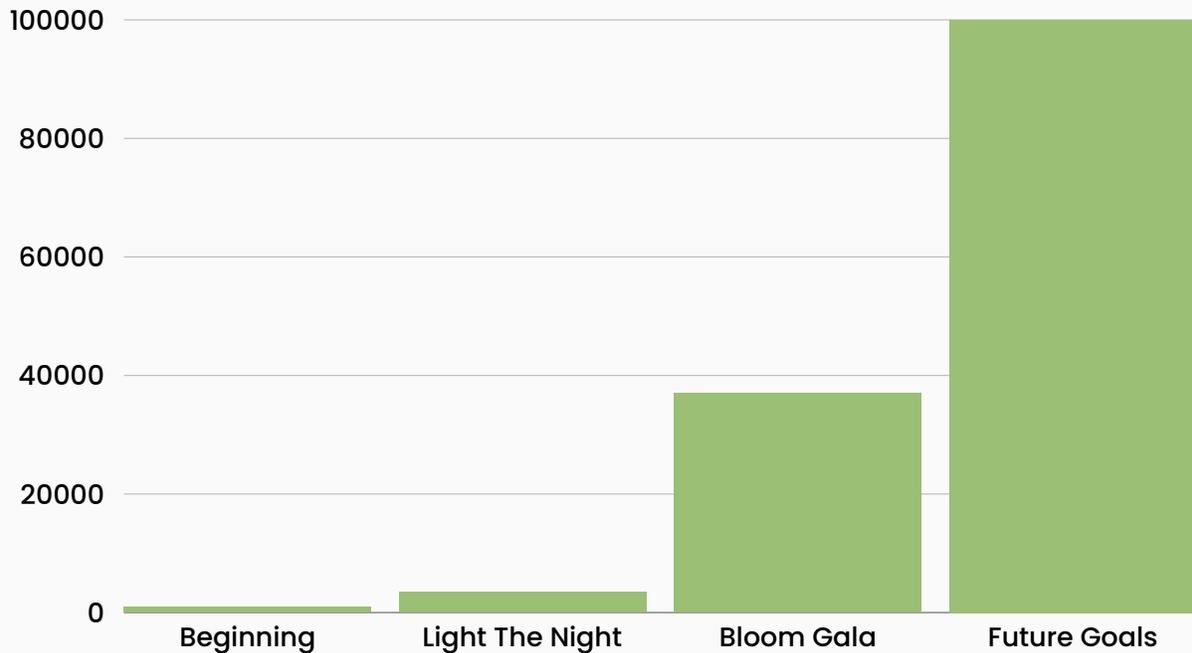

**A night packed with
amazing company, live
music, and an amazing
mission**

FROM SEEDS TO

What began as a dream in 2022 bloomed into something truly magical with the official formation as a Non-Profit in March 2024. In just a few short months, our very first event raised \$3,466—an early sign that something special was taking root. Then came The First Annual Bloom Gala, where together, we raised an astounding \$38,715

The growth has been faster than we ever imagined, and with each step forward, our mission comes to life: to support those facing infertility and adoption challenges with compassion, care, and community. As we look to the future, we're filled with hope. Hope that through continued services, heartfelt donations, and passionate community work, we'll expand our reach, offer more grants, and plant the seeds of support where they're needed most.

Thank you for helping us grow—this is only the beginning.

BECAUSE OF YOU, WE CAN SAY

“Now We Can!”

From the very beginning, The Bloom Gala has been about planting seeds of hope—and thanks to your generous support, we’re watching those seeds grow into real, tangible change. Because of you, we are no longer dreaming—we’re doing. Your donations have made it possible to fund the very first round of grants through our blossoming non-profit, and now we’re thrilled to say: Now we can!

Now we can offer the **“All Families Deserve to Grow” Infertility Grant**, lifting the financial weight that infertility treatments often bring and helping to clear a path for hopeful parents longing to grow their family.

Now we can provide **The Parker Fund – Bonding First Family Grant**, inspired by the heartfelt story of a mother who knows the emotional toll of adoption. This fund ensures adoptive families never have to choose between bonding time and financial strain in those first precious hours of life.

Now we can award the **“Love Makes a Family” Adoption Grant**, because love—not finances—should determine who gets to be a family. We’re here to make sure cost never stands in the way of a child’s forever home.

As we move into the next chapter, we’re preparing to open applications and begin awarding these grants in the coming months. Our journey has just begun, and your kindness has laid the foundation. We’re blooming—together.

OUR GOAL

Our mission is rooted in a simple, powerful belief: every family deserves the chance to grow. With the launch of our three inaugural grants—the “All Families Deserve to Grow” Infertility Grant, The Parker Fund – Bonding First Family Grant, and the “Love Makes a Family” Adoption Grant—we’re doing more than offering financial assistance. We’re offering hope, compassion, and a reminder that no one should have to face this journey alone. These grants represent more than just funding—they are lifelines of empathy and encouragement for those navigating the emotional and financial tolls of infertility and adoption.

As we look to the future, our goal is to continue blooming—spreading support beyond Northeast Ohio and reaching more families across the state. We dream of growing our programs, expanding access, and planting seeds of hope throughout every corner of Ohio. But no matter how far we reach, our purpose stays the same: to walk alongside those who are struggling, to ease the burdens they carry, and to be a source of light during some of life’s most challenging seasons. Because what they’re going through is hard—and if we can make even one moment feel a little lighter, a little more hopeful, then we’ve done something meaningful. We’re not just dreaming anymore.

We’re doing—together.
